SAFETY

Wanaka Helicopters is committed to putting your comfort and safety first. We strive to make every experience we provide an enjoyable and positive one. We understand the importance of flying smoothly and safely and the comfort and enjoyment this brings to our customers.

Our pilots are highly skilled and trained to read weather conditions and understand our mountain environment. At Wanaka Helicopters we act on the side of caution and if the weather is looking unsuitable and safety is an issue, we will look to another option or reschedule your flight. The call to fly is up to the Pilot in Command and their specialist opinion is final in this matter.

HELICOPTERS

Robinson R44

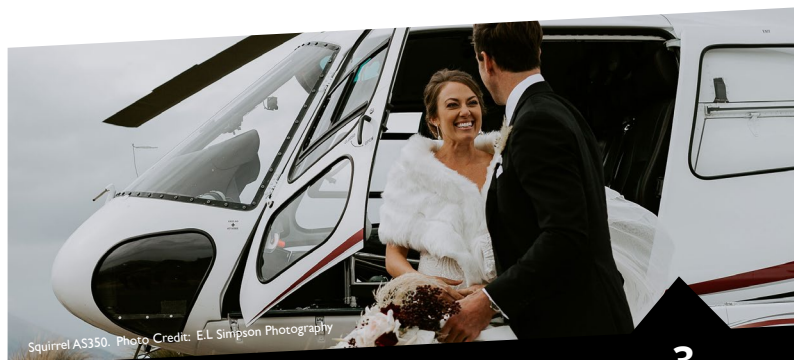

- 1-3 passengers
- A comfortable, modern helicopter
- Ideal when only the bride, groom and photographer need to be transported

Squirrel AS350

- 3-6 passengers
- A bigger comfortable, modern helicopter
- Ideal for wedding party
- Better in variable conditions

“ It was all **perfect**. From the initial interactions over the phone, to the flight on the day. ”
All people we dealt with were extremely **professional and personable**.
The pilot even carried my wedding dress train up on the hill when we exited the helicopter!
